INDEX OF EVENTS:

- 01/07/20 Order Entered: 1. EKPC's petition for confidential protection for Response No. 4, Response No. 5, and Response No. 11 is granted. 2. The designated information shall not be placed in the public record or made available for public inspection for ten years or until further Order of this Commission. 3. Use of the material in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).
4. EKPC shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential treatment.
5. If a non-party to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, then EKPC shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If EKPC is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested material available for inspection for 30 days following an Order finding that the material no longer qualifies for confidential treatment in order to allow EKPC to seek a remedy afforded by law.
- 12/26/19 Final Order Entered: 1. The charges and credits applied by EKPG through the FAG for the period from November 1, 2016, through October 31, 2018, are approved. 2. EKPG's proposed base fuel cost of \$0.02624 per kWh is approved. 3. EKPC shall reduce its base energy rates by \$0.00152 per kWh to reflect the reestablishment of base fuel costs. 4. The rates in the Appendix to this Order are approved effective with service rendered on and after February 1, 2020. The rates in the Appendix to this Order are designed to reflect the reduction of \$0.00152 per kWh to base energy rates, which is the differential between the old base fuel cost of \$0.02776 per kWh and the new base fuel cost of \$0.02624 per kWh. 5. Beginning with the expense month for February 2020, EKPC shall use an FAC rate based upon a base fuel cost of \$0.02624 per kWh. 6. Within 20 days of the date of this Order, EKPC shall file, using the Commission's electronic Tariff Filing System, its revised tariff sheets with the Commission setting out the rates approved herein and reflecting that they were approved pursuant to this Order.
7. This case is closed and removed from the Commission's docket.
