**INDEX OF EVENTS:**

01/07/20 Order Entered: 1. LG&E's petition for confidential protection for the identified portions of Response 4 is granted. 2. The identified information shall not be placed in the public record or made available for public inspection for five years or until further Order of this Commission. 3. Use of the material in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. LG&E shall inform the Commission if the material in question becomes publicly available or no longer qualifies for confidential treatment. 5. If a non-party to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, then LG&E shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If LG&E is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the material available for inspection for 30 days following an Order finding that the material no longer qualifies for confidential protection in order to allow LG&E to seek a remedy afforded by law.

12/26/19 Final Order Entered: 1. During the period under review, LG&E has complied with the provisions of 807 KAR 5:056. 2. The charges and credits applied by LG&E through the FAC for the period from November 1, 2016, through October 31, 2018, are approved. 3. LG&E's continued use of the existing base fuel cost of \$0.02428 per kWh is approved. 4. This case is closed and removed from the Commission's docket.
