03/25/20	Order Entered: 1. Duke Kentucky's petition for confidential treatment for Exhibits 2 and 4, Pages 31, 32, and 33, of its Application is granted. 2. Duke Kentucky's request to keep the information identified out of the public record and not be subject to public inspection for until such time as the facilities depicted therein are no longer in service is granted. 3. The designated material in Exhibits 2 and 4 shall not be placed in the public record or made available for public inspection until such time as the facilities depicted therein are no longer in service, or until further Orders of this Commission. 4. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 5. Duke Kentucky shall inform the Commission if the information in question becomes publicly available or no longer qualifies for confidential treatment. 6. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not run, then Duke Kentucky shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Duke Kentucky is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
02/27/20	Final Order Entered: 1. Duke Kentucky is granted a CPCN to construct and operate the proposed transmission line facilities as set forth in its application. 2. Duke Kentucky shall file a survey of the final location of the line after any modifications are finalized as authorized herein and before construction begins. 3. Duke Kentucky shall file "as-built" drawings or maps within 60 days of the completion of the construction authorized by this Order. 4. Duke Kentucky's request for authority to move the electric transmission line and associated right-of-way only within the corridor of the preferred route is granted. 5. Duke Kentucky shall immediately notify the Commission upon knowledge of any material changes to the scope of the transmission line project, including, but not limited to, increase in cost, any significant delays in the construction of the transmission line, or any changes in the route of the transmission line. 6. Any documents filed pursuant to ordering paragraph 2, 3, and 5 of this Order shall reference the case number of this matter and shall be retained in the post-case correspondence files. 7. This case is hereby closed and will be removed from the Commission's docket.
