INDEX OF EVENTS:

11/20/20	Order Entered: 1. Elkhorn District is granted a CPCN to replace 6,600 linear feet of pipeline, replace a booster pump station, install a new master meter, and install approximately 500 new AMR customer meters as set forth in its application. 2. Elkhorn District shall immediately notify the Commission upon knowledge of any material changes to the projects, including, but not limited to, increase in costs and any significant delays in construction. 3. Any material deviation from the construction approved by this Order shall be undertaken only with the prior approval of the Commission. 4. Elkhorn District shall file with the Commission documentation of the total costs of the projects, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, administrative, etc.) within 60 days of the date that construction authorized under this CPCN is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. Elkhorn District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.
