06/02/22	POST CASE: Lerah M Scott Kentucky Power Kentucky Power Companys June 2022 property acquisition update.
04/13/22	Order Entered: 1. Kentucky Power's motion for partial rehearing is granted for the purpose of providing clarification on the issues raised in the motion. 2. Ordering paragraph 9 is stricken from the Commission's March 8, 2022 final Order and replaced with the following: Before removing any tree from Mr. Allen's property that is more than 80 feet below the transmission line at maximum loading conditions, Kentucky Power shall consider the efficacy of trimming the tree compared to removing it; as well as the species of the tree and the
	likelihood that the tree will grow into the 80-foot zone before the next inspection. 3. Kentucky Power shall follow the procedure set out in this Order in compliance with ordering paragraph 8 of the Commission's March 8, 2022 final Order. 4. All other provisions of the March 8, 2022 final Order that are not in conflict with the terms of this Order remain in full force and effect. 5. This case is closed and removed from the Commission's docket.
03/28/22	Volney Brent Allen A response to the request for a rehearing.
03/25/22 03/08/22	Lerah M Scott Kentucky Power Kentucky Power Companys motion for partial rehearing. Final Order Entered: 1. Kentucky Power is granted a CPCN to construct and operate the Garrett Area Improvements 138 kV Transmission Project as described in its application, with the conditions expressed in this Order. 2. Kentucky Power shall file a survey of the final location of the transmission facilities after any modifications are finalized as authorized by this Order and before construction begins. 3. Kentucky Power shall notify the Commission upon knowledge of any material changes to the project, including but not limited to, increase in cost, any significant delays in construction, or any changes in the route of the transmission line not expressly authorized by his Order. 4. Kentucky Power shall file "as built" drawings and maps within 60 days of the completion of the construction authorized by this Order. 5. Kentucky Power shall furnish documentation of the total costs of this project including the cost of construction and all other capitalized costs, including, but not limited to, engineering, legal, and administrative expenses, within 60 days of the date construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for electric utilities prescribed by the Commission. 6. Kentucky Power shall file with the Commission any permits acquired in connection with this project within 30 days of issuance of the permit.
03/04/22	Volney Brent Allen A response to not being allowed to have a final hearing "because I am not a lawyer".
