Construct

UTILITIES:
Western Pulaski County Water District

INDEX OF EVENTS:

03/11/22	Final Order Entered: 1. Western Pulaski District's request for a CPCN to replace 2,400 linear feet of KY-80 transmission main as described in its application is granted. 2. Western Pulaski District shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs (e.g., engineering, legal, and administrative), within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 3. Western Pulaski District shall file a copy of the "as-built" drawings and a certified statement from the engineer that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of substantial completion of the construction certified herein. 4. Western Pulaski District shall require the construction to be inspected under the general supervision of a professional engineer with a Kentucky registration in civil or mechanical engineering to ensure that the construction work is done in accordance with the contract drawings and specifications and in conformance with the best practices of the construction trades involved in the project.
