	Measure 18 is granted. Mitigation Measure 18 in Appendix A to the Final Order is stricken and shall be replaced with the following: Sebree Solar II shall place panels, inverters, and substation equipment consistent with the distances to noise receptors to which it has committed in its maps and site plans. The Siting Board approves Sebree Solar II's proposed setback from residences of 150 feet from any panel or string inverter. Nevertheless, Sebree Solar II shall not place solar panels or string inverters, if used, closer than 150 feet from a residence, church, or school, 25 feet from non-participating adjoining parcels, or 50 feet from adjacent roadways.
12/01/23	POST CASE: Brittany Hayes Koenig Sebree Solar II, Inc Responses
11/20/23	Order Entered: 1. Sebree Solar II's motion for confidential treatment is denied. 2. The designated material denied confidential treatment by this Order is not exempt from public disclosure and shall be placed in the public record and made available for public inspection. 3. If Sebree Solar II objects to the Siting Board's determination that the requested material is not granted confidential treatment, it must seek either rehearing pursuant to 807 KAR 5:110, Section 5(4), or judicial review of this Order pursuant to KRS 278.712(5). Failure to exercise either of these statutory rights will be deemed as agreement with the Siting Board's determination of which materials should be granted confidential treatment. 4. Within 30 days of the date of service of this Order, Sebree Solar II shall file a revised version of the designated material for which confidential treatment was denied, reflecting as unredacted the information that has been denied confidential treatment. 5. The designated material for which Sebree Solar II's request for confidential treatment has been denied shall neither be placed in the public record nor made available for inspection for 30 days from the date of service of this Order in order to allow Sebree Solar II to seek a remedy afforded by law.
