| 07/05/23 | Final Order Entered: 1. The recommendations contained in the Commission Staff Report are adopted as modified in this Order and incorporated by reference into this Order. 2. The water service rates proposed by Grant District are denied. 3. The rates set forth in the Appendix to this Order are approved for services rendered by Grant District on and after the date of this Order. 4. Within 20 days of the date of service of this Order, Grant District shall file with this Commission, using the Commission's electronic Tariff Filing System, new tariff sheets setting forth the rates and charges approved herein and their effective date, and stating that the rates and charges were authorized by this Order. 5. Grant District shall use the midpoint of the depreciable lives of the National Association of Regulatory Utility Commissioners ranges, as proposed in the application and agreed upon by Staff, to depreciate water plant assets for accounting purposes in all future reporting periods. No adjustment to accumulated depreciation or retained earnings should be made to account for this change in the accounting estimate. 6. This case is closed and removed from the Commission's docket. |
