01/11/24 Final Order Entered: 1. EKPC is granted a CPCN to construct the Cooper Station CFI Closure in Place. 2. EKPC is granted a CPCN to construct the Spurlock Station Phase 2 Peg's Hill Landfill. 3. EKPC's request to amend its Compliance Plan, as reflected in its application, for purposes of recovering the costs of the additional environmental projects through its environmental surcharge is granted. 4. EKPC's request to revise its monthly environmental surcharge reporting formats to reflect the inclusion of the proposed projects as set forth in its application is granted. 5. EKPC shall provide a status update to the Commission on a semi-annual basis beginning six months from service of this Order, as associated with the beneficial use of the Cooper Station's fly ash, bottom ash and gypsum until EKPC files for its next Environmental Compliance Plan Amendment. 6. EKPC will provide a status update to the Commission on a semi-annual basis, as associated with the beneficial use of the Spurlock Station's fly ash, bottom ash and gypsum. 7. This case is closed and removed from the Commission's docket.

11/30/23 Order Entered; 1. EKPC's motions for confidential treatment are granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for an indefinite period or until further Order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9). 4. EKPC shall inform the Commission if the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, EKPC shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If EKPC is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the requested material available for inspection for 30 days from the date of service of an Order finding that the material no longer qualifies for confidential treatment in order to allow EKPC to seek a remedy afforded by law.
