INDEX OF EVENTS:

- 07/02/25 POST CASE: Pierce T. Stevenson FRON bn, LLC (Frontier Solar) Motion to Amend Transmission Line Route and Petition for Confidential Protection
- 06/25/24 Final Order Entered: 1. Frontier Solar's application for a construction certificate to construct an approximately 120 MW merchant solar electric generating facility in Marion and Washington counties, Kentucky, and an approximately 1.7-mile non-regulated electric transmission line is conditionally granted subject to full compliance with the mitigation measures and conditions prescribed in Appendix A to this Order. 2. Frontier Solar's amended motion for deviation from the setback requirements in KRS 278.704(2) is granted. Frontier Solar shall comply with the setbacks prescribed in the mitigation measures in Appendix A to this Order. 3. Frontier Solar shall fully comply with the mitigation measures and conditions prescribed in Appendix A to this Order. 4. In the event mitigation measures within the body of this Order conflict with those prescribed in Appendix A to this Order, the measures in Appendix A shall control. 5. This case is closed and removed from the Siting Board's docket.
- 06/25/24 Order Entered: 1. Frontier Solar's petition for confidential treatment for material terms of leases provided in the supplemental response to Staff's First Request, Item 1 is granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for 40 years or until further order of this Siting Board. 3. Use of the designated material granted confidential treatment by this Order in any Siting Board proceeding shall comply with 807 KAR 5:110, Section 5. 4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Frontier Solar shall inform the Commission and file with the Commission an unredacted copy of the designated material. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Frontier Solar shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Frontier Solar is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Siting Board shall deny the request for inspection.
