Louisville Gas and Electric Company and Kentucky Utilities Company provide notice regarding the actual start of construction of the Mercer County Solar Facility

08/16/24 Order Entered: 1. LG&E/KU's May 10, 2024 petition for confidential treatment is granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for five years or until further order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9). 4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, LG&E/KU shall inform the Commission and file with the Commission an unredacted copy of the designated material. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, LG&E/KU shall have 30 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If LG&E/KU is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.

07/12/24 Final Order Entered: 1. LG&E/KU's motion for a deviation from setback requirements and application for a Site Compatibility Certificate to install and operate a 120 MW solar electric generating facility in Mercer County, Kentucky, is granted subject to their full compliance with all mitigation measures and conditions listed in the Appendix to this Order and all mitigation measures that LG&E/KU committed to implement in this matter. 2. LG&E/KU shall fully comply with the mitigation measures and conditions prescribed in the Appendix to this Order and any other mitigation measures that LG&E/KU committed to implement in this matter. 3. In the event mitigation measures within the body of this Order conflict with those prescribed in the Appendix to this Order, the measures in the Appendix shall control. 4. This case is closed and removed from the Commission's docket.
