04/29/25	Final Order Entered: 1. EKPC is authorized to incur indebtedness of up to $450 million of secured or unsecured private placement or bank/financial institution debt or some combination thereof. 2. The proceeds from the transaction authorized in this Order shall be used to reduce existing borrowings under EKPC's Credit Facility, thereby creating liquidity to fund previously approved solar projects, other ongoing capital expenditures for generation and transmission infrastructure, and general corporate purposes consistent with EKPC's representations. 3. EKPC shall, within 30 days of the date of issuance of the debt authorized herein, file with the Commission a written statement setting forth the date or dates of issuance of the debt authorized, the date of maturity, the price paid, the proceeds of such issuance, the interest rate, and all fees and expenses, including underwriting discounts or commissions or other compensation, involved in the issuance and distribution. EKPC shall also file documentation showing the quotes that EKPC relied upon to determine the lowest interest rate. 4. EKPC shall agree only to terms and prices consistent with the parameters set forth in EKPC's application. 5. Any documents filed in the future pursuant to ordering paragraph 3 of this Order shall reference this case number and shall be retained in EKPC's post-case correspondence file.
