02/23/26 Larry Bell Public Comment  
02/16/26 Final Order Entered: 1. The rates and charges proposed by KU in its application are denied unless otherwise discussed below. 2. The Stipulation, attached to this Order as Appendix A (without exhibits) and the Amended Stipulation, attached to this Order as Appendix B, is approved with modifications. 3. The rates and charges as set forth in Appendix D and E are approved as fair, just and reasonable rates for KU, and these rates and charges are approved for service on and after the issuance of this Order. 4. The depreciation study submitted by KU is accepted. 5. The Stipulation provisions regarding previously approved regulatory assets and select future expenses related to storm damage restoration are approved in part and denied in part. 6. KU's request for automatic deferred account for storm damage amounts above or below base rates is denied. 7. KU may defer storm damage restoration costs for major storms that exceed \$2 million and are above the amounts included in base rates without prior Commission approval. A major storm would qualify under Institute of Electrical and Electronics Engineers (IEEE) Standard 1366, a Major Event Day. LG&E is approved to amortize these regulatory assets over 5 years. 8. The Stipulation provision regarding deferral accounting of vegetation management expenses is denied. 9. KU's proposal to defer software implementation costs through December 31, 2026 and to amortize those costs over the lives of the underlying software is approved.
