East Clark County Water District

INDEX OF EVENTS:

11/03/25	Final Order Entered: 1. East Clark District is granted a CPCN for the proposed project as submitted. 2. East Clark District shall immediately notify the Commission upon knowledge of any material changes to the projects, including but not limited to increase in cost and any significant delays. 3. Any material deviation from the construction approved by this Order shall be undertaken only with prior approval of the Commission. 4. East Clark District shall file with the Commission documentation of total costs of the projects, including the cost of construction and all other capitalized costs (e.g., engineering, legal, administrative, etc.) within 60 days of the date that the construction authorization under this CPCN is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 5. East Clark District shall file a certified statement that the construction has been satisfactorily completed in accordance with the construction plans and specifications within 60 days of the substantial completion of the construction discussed herein. 6. East Clark District is authorized to issue the evidence of debt requested subject to the conditions discussed herein. 7. The proceeds from the issue of evidence of debt authorized shall be used only for the lawful purposes set out in the application.
