INDEX OF EVENTS:

10/09/26	Order Entered: 1. Delta's June 4, 2026 petition for confidential treatment is granted. 2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for an indefinite period or until further order of this Commission. 3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9). 4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Delta shall inform the Commission and file with the Commission an unredacted copy of the designated material. 5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Delta shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Delta is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
06/23/26	Final Order Entered: 1. Delta's application for an EDX has been approved. 2. Delta's application for an EDX is approved as proposed in Delta's application, in so far as it is related to providing natural gas service to the MMRC Regional Industrial Park, is approved. 3. Delta's request to establish a regulatory asset is approved. Delta shall defer property taxes related to the EDX capital investment, including property taxes on the costs of land. Delta may include applicable carrying costs in the regulatory asset. The carrying costs during the deferral period shall be calculated by applying the long-term debt rate as approved in Delta's most recent base rate case to the regulatory asset balance. This regulatory asset may be included for recovery in Delta's application for a general adjustment in rates following a customer receiving service as a result of this project. 4. This case is closed and removed from the Commission's docket.
