INDEX OF EVENTS:

07/02/13	Order Entered: . Fleming-Mason's proposed $20 customer charge and on-peak energy charge for the optional Residential and Small Power — Schedule RSP — Time of Day tariff are denied and all other proposed rates and tariffs are approved for service rendered on and after the date of this Order. 2. The rates and tariffs set forth in the Appendix to this Order are approved for service rendered on and after the date of this Order, including an $78.36 customer charge and a $.12520 per KWh on-peak energy charge for the optional Residential and Small Power — Schedule RSP — Time of Day tariff. 3. Commencing in 2074, at the same time Fleming-Mason files its annual financial report with the Commission, Fleming-Mason shall file five copies of its DSM annual reports with the Commission which contain the status of each DSM and energy efficiency program and which contain the information as set out in Findings paragraph 5 above. 4. Upon request of Fleming-Mason, Commission Staff shall schedule a technical conference to address any questions concerning the requirements set out in this Order. 5. Within 20 days of entry of this Order, Fleming-Mason shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting the date of issue, the effective date, and that they were approved pursuant to this Order. 6. Any documents filed pursuant to ordering paragraph No. 3 of this Order shall reference the num
