INDEX OF EVENTS:

01/17/19	Order Entered: 1. EKPC's June 13, 2016 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for ten years, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. EKPC shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, EKPC shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. EKPC is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow EKPC to seek a remedy afforded by law.

04/13/16	Final Order Entered: 1. Neither the EISA Smart Grid Information Standard nor the EISA 2007 Smart Grid Investment Standard shall be adopted. 2. The Joint Utilities shall develop policies and procedures that provide customers access to historical information regarding their energy use and tariff rate and shall endeavor to provide this information to customers in as close to real-time as practical. Furthermore, the Joint Utilities shall provide aggregated information to CAC upon its reasonable request. 3. The Joint Utilities shall develop internal policies and procedures governing customer privacy, customer education, and cybersecurity as set forth in this Order. 4. Within 60 days of the date of this Order, the Joint Utilities shall file with the Commission their internal procedures governing customer privacy and customer education. 5. Within 60 days of the date of this Order, the Joint Utilities shall certify to the Commission that they have developed internal cybersecurity procedures. 6. The jurisdictional electric utilities shall not be required to develop Dynamic Pricing programs and tariffs, but they are encouraged to do so. 7. Customer participation in any Dynamic Pricing program or tariff shall be voluntary. 8. Provisions allowing customers to opt out of smart meter deployments shall be considered as they are proposed by individual utilities.

04/01/14	Order Entered: 1. Movant's motion for confidential protection is hereby granted. 2. The information for which Movant seeks confidential treatment shall not be placed in the public record or made available for public inspection for the period of time ending March 20, 2028, or until further Orders of this Commission. At the end of this period, the material shall be placed in the public record. The Movant may request that the material continue to be treated as confidential but must demonstrate that the material still falls within the exclusions established in KRS 61.878. 3. If Movant objects to the time limits that the Commission has placed on the confidential treatment for the materials in question, it must seek either rehearing pursuant to KRS 278.400 or judicial review of this Order pursuant to KRS 278.410. Failure to exercise either of these statutory rights will be deemed as agreement with the Commission's determination of the period for which the material is afforded confidential treatment and will require Movant to demonstrate a change in circumstances in any subsequent motion for continued confidential treatment of the material in question after the end of the period set forth in ordering paragraph 2. 4. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).
