LGE and KU notify KPSC of second 500 kW Solar Share Facility being fully subscribed

POST CASE: Michael E. Hornung LGE and KU Energy LGE and KU 2019 Solar Share Annual Report Update

08/01/19 Order Entered: 1. KU and LG&E's September 6, 2016 petition for confidential protection is granted. 2.

The designated materials shall not be placed in the public record or made available for public inspection for an indefinite period, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. KU and LG&E shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials and the period during which the materials have been granted confidential treatment has not expired, KU and LG&E shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If KU and LG&E is unable to make such demonstration, the designated materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30

days following an Order finding that the materials no longer qualify for confidential treatment in order to

allow KU and LG&E to seek a remedy afforded by law.

01/24/19 Order Entered: 1. KU and LG&E's August 2, 2016 petition for confidential protection is granted. 2. The

designated materials shall not be placed in the public record or made available for public inspection for five years, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. KU and LG&E shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated

materials granted confidential treatment by this Order and the period during which the

materials have been granted confidential treatment has not expired, KU and LG&E shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If KU and LG&E are unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials

designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow KU and LG&E to seek a remedy afforded by law.

	days of receipt
08/26/16	Commission Staff's Initial Request for Information to Kentucky Utilities Company and Louisville Gas
	and Electric Company
08/22/16	Order Entered: 1. The motion of KIUC to intervene is granted. 2. KIUC shall be entitled to the full rights
	of a party and shall be served with the Commission's Orders and with filed testimony, exhibits,
	pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
	3. KIUC shall comply with all provisions of the Commission's regulations, 807 KAR 5:001, Section 8,
	related to the service and electronic filing of documents. 4. KI UC shall adhere to the procedural
	schedule set forth in the Commission's August 12, 2016 Order and as amended by subsequent
	Orders. 4. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of entry of this Order, KIUC
	shall file a written statement with the Commission that: a. Certifies that it, or its agent, possesses the
	facilities to receive electronic transmissions; and b. Sets forth the electronic mail address to which all
	electronic notices and messages related to this proceeding should be served.
08/19/16	Order Entered: 1. KU/LG&E's joint motion for an informal conference is granted. 2. An informal
	conference is scheduled for Monday, August 29, 2016, at 10:30 a.m. Eastern Daylight Time for the
	purpose of providing KU/LG&E the opportunity to make a presentation, and for discussing any and all
	issues in this matter. 3. Commission Staff will contact the parties to this matter by electronic mail to
08/12/16	provide details for participation by telephone.
08/12/16	Order Entered: 1. The Companies' proposed Rider SSP tariffs are suspended for five months from
	September 1, 2016, up to and including January 31, 2017. 2. The Companies' request for a deviation
	from the requirements of 807 KAR 5:011, Section 8, to publish customer notice three times is denied and a deviation is granted to allow the Companies to publish the customer notice only one time. 3. The
	procedural schedule set forth in the Appendix to this Order shall be followed. 4. a. Responses to
	requests for information in paper medium shall be appropriately bound, tabbed, and indexed and shall
	include the name of the witness responsible for responding to the questions related to the information
	provided, with an original and six copies in paper medium and an electronic version to the
	Commission. b. Each response shall be answered under oath or, for representatives of a public or
	private corporation or a partnership or association or a governmental agency, be accompanied by a
	signed certification of the preparer or person supervising the preparation of the response on behalf of
	the entity that the response is true and accurate to the best of that person's knowledge, information,
	and belief formed after a reasonable inquiry. c. Any party shall make timely amendment to any prior
	response if it obtains information which indicates that the response was incorrect when made or.
