

# The Kentucky PSC Role in Regulation of Interstate Natural Gas Liquid Pipelines

---

*Interim Joint Subcommittee on Energy*

September 5, 2013

---

JEFF DEROUEN  
EXECUTIVE DIRECTOR  
KENTUCKY PUBLIC SERVICE COMMISSION

# Siting and Construction

## No PSC role

- Not a utility – no PSC pre-construction review or certification
- Not under jurisdiction of Kentucky State Board on Electric Generation and Transmission Siting

# Rates and Services

## No PSC role

- No customers in Kentucky – thus not a utility – no PSC jurisdiction

# Safety

## No PSC role

- Interstate – regulated by federal agency (PHMSA)
- Carries liquids – regulated by federal agency (PHMSA)
