Re: Suspension of Enforcement of 807 KAR 5:056, Section 3(5)

To Whom It May Concern:

The Commission has determined that amendments to 807 KAR 5:056, the Fuel Adjustment Clause ("FAC") regulation, are necessary. The Commission plans to file with the Legislative Research Commission, no later than December 15, 2020, proposed amendments to 807 KAR 5:056 that will delete Section 3(5) from the FAC regulation. The Commission will propose no other amendments to the regulation.

The Commission, as of the date of this letter, will no longer apply the review requirements of 807 KAR 5:056 Section 3(5) to any FAC proceedings. This includes any fuel purchases, bids, procurements, etc., occurring on and after the date of this letter which will be reviewed in subsequent FAC proceedings.

If you have any questions, please contact J.E.B. Pinney, Acting General Counsel, at (502) 545-6180 or jeb.pinney@ky.gov.
