Instructions for completing Kentucky Universal Service Fund Report

Beginning in January 2000 the surcharge rate for the Kentucky Universal Service Fund ("USF") to support the Kentucky Lifeline program will decrease from five cents (\$0.05) per access line to three cents (\$0.03) per access line, collected on a monthly basis. Following are instructions for completing the forms and definitions of the terms on the forms.

All Incumbent Local Exchange Carriers ("ILECs"), Competitive Local Exchange Carriers ("CLECs"), and Wireless Providers are required to collect the surcharge from their customers on a monthly basis. The surcharge should be collected for all local exchange access lines and wireless subscribers including analog and digital cellular and PCS. Local exchange access lines are defined for this purpose as facilities which provide access to and from the telecommunications network for toll service and for local calling with the exception of Coin, WATS, remote call forwarding, radio common carriers, interlata foreign exchange lines, private line services, mobile, other common carriers, and company official accounts. Each carrier should collect the surcharge from the customers it serves on a retail basis, wholesale accounts should not be charged the surcharge. The surcharge should appear on each customer's bill as "Kentucky Lifeline Support" or a similar facsimile.

Also new for this year, carriers will be able to contribute to the fund on a monthly or quarterly basis depending on the number of subscribers served. Carriers with less than 1,000 access lines may contribute on a quarterly basis. Carriers with greater that 1,000 access lines should continue to contribute on a monthly basis. Carriers contributing on a quarterly basis will still be required to submit separate reports for each month but remit them to the fund on a quarterly basis. Reports are due within 15 days following the reporting month.
