

As a courtesy to the public, the Kentucky Public Service Commission will accept documents for filing in administrative proceedings submitted by facsimile provided the original document is received no later than 5:00 p.m. on the next day that state government offices are open. Facsimile transmissions should be sent to the Filings Division at (502) 564-3460. Facsimile transmissions to other numbers will not be accepted. As no court has yet determined this practice meets all statutory filing requirements, persons submitting documents by facsimile do so at their own risk. If a statute requires the filing of a document or pleading within an expressed time period, the public is cautioned that the only undisputed method of obtaining compliance with such statute is the submission of the original document.
