September 11, 2026

Dear Consultants:

The Kentucky Public Service Commission ("Commission") is seeking proposals for all consulting services required to perform a management and operations audit of Kentucky Power Company (Kentucky Power). Kentucky Power's headquarters are located in Ashland, Kentucky. The business address is Kentucky Power Company, 1645 Winchester Ave, Ashland, KY 41101.

An electronic copy of the Request for Proposal (RFP) can be found on the Commission's website at psc.ky.gov. If your firm is interested in responding to the RFP, please do so by October 16, 2026. If not, please update your contact information for future solicitations and feel free to pass this solicitation on to another consultant that may be interested.

Additional information beyond that provided in the standard information package should not be requested from and will not be provided by the Commission. Important dates to remember are as follows:

Proposals due to Commission – October 16, 2026
Oral Presentations, if required – November 30, 2026
Begin audit on or about – December 7, 2026
Final Report due within approximately 14 weeks of start of audit

It should be noted that the cost of the audit will be borne by Kentucky Power. Therefore, cost will be an important factor, although not the only factor, in the selection of the consultant.

Should you have any questions concerning this Request for Proposal, please contact Noah Abner at noah.abner@ky.gov or 502-782-2737 at the Commission's offices.

Sincerely,

Justin McNeil
Executive Director
