## **Date Change for Madisonville PSC Public Comment Meeting For KU Case #2025-00113 and LG&E Case #2025-00114**

**FRANKFORT, Ky. (October 8, 2025)** – The Kentucky Public Service Commission is holding public comment hearings to provide an opportunity for the public to give comments regarding Louisville Gas & Electric (LG&E) and Kentucky Utilities' (KU) applications to adjust their tariffed rates. On May 30, 2025, LG&E and KU filed applications for a general adjustment of its base rates using a forecasted test year and included other related accounting requests and tariff changes. The meeting date for the Madisonville meeting that was originally scheduled for Monday, October 13<sup>th</sup> has changed due to a scheduling conflict. The meeting will now be held on Thursday, October 30 at 5:00 pm Central Time at the Madisonville City Council Chambers, 77 N Main Street 2nd floor, Madisonville, KY 42431.

LG&E and KU have proposed a rate increase for their Kentucky customers, which is the first such request since 2020. KU is seeking an 11.5% increase, while LG&E is asking for an 8.3% increase for electric service and a 14% increase for natural gas. These increases are proposed to fund infrastructure upgrades and address rising costs, including those associated with severe weather events. The potential changes could mean a monthly increase of \$18.14 for KU customers using 1,085 kWh and \$11.04 for LG&E electric customers using 866 kWh, and \$11.12 for LG&E natural gas customers using 52 Ccf, according to initial estimates.
