

Kentucky Revised Statute 74.020 sets training requirements for water district commissioners and gives the Kentucky Public Service Commission the overall responsibility for water district management training programs. KRS 74.020(8) requires newly appointed water district commissioners to undergo 12 hours of training within one year of taking office. Beginning in 2018, the only approved training for new commissioners has been the seminars offered by the Kentucky Public Service Commission. The training offered by the Kentucky Public Service Commission also may be used to fulfill the six hours of continuing education required for water district commissioners who desire additional annual compensation.

**WATER DISTRICT COMMISSIONERS: BE SURE YOU REGISTER FOR THE SEMINAR OFFERING THE AMOUNT OF CREDITS THAT YOU ARE REQUIRED TO OBTAIN. NOTE: THE ONE-DAY TRAINING ON JUNE 16, 2020, AT CARTER CAVES SRP OFFERS CREDIT FOR RETURNING COMMISSIONERS ONLY**

The Kentucky Department of Environmental Protection grants Continuing Learning Education credits through these programs. Operators and engineers may earn up to 12 hours of credit. The Kentucky Bar Association also recognizes these seminars for up to 12 hours of CLE. Please make sure to mark the desired CLE when registering.

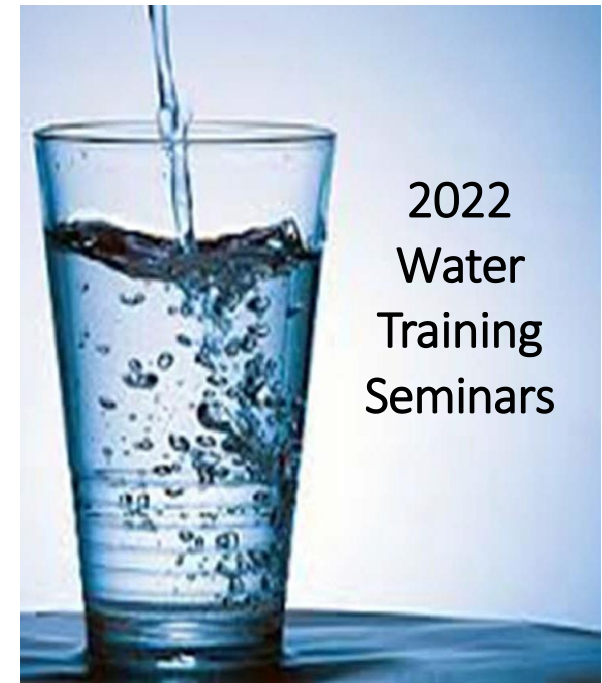

Every year we work hard to make these seminars informative and pertinent to evolving issues in the areas of water and wastewater utility management. If you have any questions or suggestions, please let us know!

Walk-Ins are accepted. If attending as a walk-in, please bring your own notetaking materials as well as a check made out according to the details on the following page.
