Order Approving Refund Plan As Modified

On June 30, 1980, South Central Bell Telephone Company ("Company") complied with the Commission's order of June 23, 1980, by submitting a plan by which the Company would refund approximately \$10.4 million in overcharges to its Kentucky customers. Upon review and analysis of the proposed plan, the Commission has determined that the \$171,432 cost of making the refund should be borne by the Company itself rather than the ratepaying customer. All other provisions of the refund plan are accepted as filed.

It is FURTHER ORDERED that within 60 days from the date of completion of said refund, the company shall submit a final accounting of all amounts refunded under this order.
