CASE NO. 7150

ORDER

On September 6, 1978, an Order was entered in this matter approving an interim increase in the retail rates of Jackson Purchase Electric Cooperative Corporation (Jackson Purchase) pending a final determination by the Federal Energy Regulatory Commission (FERC) in Docket No. ER 78-417, the wholesale rate increase of Kentucky Utilities Company, Jackson Purchase's power supplier.

On July 26, 1979, a settlement agreement was accepted and approved by the FERC in Docket No. ER 78-417. The settlement agreement reduced the Kentucky Utilities Company's requested wholesale rate increase and ordered Kentucky Utilities Company to refund with 9% interest, within thirty (30) days all excessive amounts collected since September 6, 1978. By letter dated August 8, 1979, Kentucky Utilities Company refunded \$220,840.51 to Jackson Purchase for service through August 10, 1979.

Subsequently, the Commission twice requested that Jackson Purchase file revised tariffs and supporting documentation reflecting the settlement agreement in the FERC matter. When sufficient information had not been filed by February 13, 1980, the Commission issued an Order directing Jackson Purchase to file said information.

On February 15, 1980, the necessary information was filed and made a part of the record herein. The Case has now been submitted to the Commission for final determination.

After reviewing the evidence of record and being advised, the Commission is of the opinion and FINDS that:

(1) Jackson Purchase has received a refund from its supplier, Kentucky Utilities Company, in the amount of \$220,840.51.

(2) As a result of the settlement agreement in FERC Docket No. ER 78-417, Kentucky Utilities has reduced its wholesale rate to Jackson Purchase.

(3) That Jackson Purchase has neither refunded to its customers the \$220,840.51 received from Kentucky Utilities Company nor reduced its retail tariff to reflect the reduction by Kentucky Utilities Company.

(4) That the rates set forth in Appendix "A" reflect the reduction of Kentucky Utilities Companies' wholesale rate to Jackson Purchase and are the proper rates for Jackson Purchase to charge for electric service.

IT IS THEREFORE ORDERED, that the rates and charges set out in Appendix "A" are the fair, just, and reasonable rates for service rendered by Jackson Purchase on and after September 6, 1978.

IT IS FURTHER ORDERED, that Jackson Purchase Electric Cooperative Corporation be and hereby is directed to refund to their customers all rates and charges collected in excess of those approved herein for the period September 6, 1978 through the effective date of this Order.

IT IS FURTHER ORDERED, that Jackson Purchase Electric Cooperative Corporation shall, within twenty (20) days submit a refund plan to this Commission for approval.

IT IS FURTHER ORDERED, that Jackson Purchase Electric Cooperative Corporation shall file with this Commission, within fifteen (15) days from the date of this Order, its revised tariff sheets setting out the rates approved herein and a statement setting out the total amount to be refunded to its customers.

Done at Frankfort, Kentucky, this the 28th day of February, 1980.
