In the Matter of

APPLICATION OF NETTLECREEK TREATMENT)
PLANT, INC. FOR A CERTIFICATE OF) CASE NO. 7528
PUBLIC CONVENIENCE AND NECESSITY)

O R D E R

Preface

On July 25, 1979, Nettlecreek Treatment Plant, Inc. (Applicant), filed with this Commission an application seeking a certificate of public convenience and necessity authorizing the construction of an addition to a waste water treatment plant and collection system for the Gainsborough Subdivision in Jefferson County, Kentucky.

The case was set for hearing at the Commission's offices in Frankfort, Kentucky, November 16, 1979. All parties of interest were notified, and no protests were entered. At the hearing certain requests for additional information were made by the Commission Staff. This information has now been filed, and the entire record has been submitted to the Commission for final determination.

Findings in This Matter

The Commission, after consideration of all the evidence of record and being advised, is of the opinion and finds:

1. That public convenience and necessity requires the construction of an addition to the sewage treatment plant and collection system in the Gainsborough Subdivision in Jefferson County, Kentucky, as set forth in the application.

2. That the construction project proposed by the Applicant consists of additions to the sewage collection system, an additional 45,000 GPD package treatment plant, and the addition of tertiary treatment to serve the total plant capacity of 90,000 GPD at an estimated total project cost of \$90,000. This plant after expansion will provide sewage service for the total Phase 1, 2, and 3 development of the Gainsborough Subdivision consisting of 234 single-family residential units.

3. That the Applicant has filed a "Third Party Beneficiary Agreement" as a part of their application.

4. That the Applicant should file with this Commission a duly verified document or documents (final invoices, etc.) which show the total costs for construction and all other capitalized costs (administrative, legal, engineering, etc.) within sixty (60) days of the date that construction is substantially completed.

ORDERS IN THIS MATTER

The Commission on the basis of the matters hereinbefore set forth and the evidentiary record in this case:

HEREBY ORDERS that the Applicant, be and hereby is granted a Certificate of Convenience and Necessity for construction of an addition to the sewage collection and treatment facilities for the Gainsborough Subdivision, Jefferson County, Kentucky, as set forth in the application.

IT IS FURTHER ORDERED that the Applicant shall file with this Commission a duly verified document or documents regarding the total costs for this project in accordance with finding number 4 as previously set forth herein.

Done at Frankfort, Kentucky, this 19th day of February, 1980.
