CASE NO. 7571

O R D E R

On the tenth day of September, 1979, Equitable Gas Company filed its Application seeking authority to abandon gas service to forty-four (44) customers and to transfer the right and obligation to provide gas service to said customers to the Prestonsburg City's Utility Commission.

On September 27, 1979, an application was filed by Equitable Gas Company with Federal Energy Regulatory Commission to abandon service to forty-four (44) customers. (Docket No. CP72-130)

A formal hearing was held before the Energy Regulatory Commission on November 28, 1979, whereby Equitable Gas Company requested permission to abandon gas service to those customers served from gathering lines W-219, W-282, and W-409.

At the hearing, the Applicant tendered and was given leave to file its Amendment to its original Application made herein, by which Amendment Applicant withdrew the names of seven (7) of its customers served from Kentucky West Virginia's 8" line No. 3 whose service was originally sought to be abandoned and transferred herein. (Revised list, Appendix A)

The Honorable Glenda Beard, Assistant Attorney General, Division of Consumer Protection, was an intervenor in this Case. Mr. Bill Howard was present to represent the City of Prestonsburg, Kentucky.

Information was presented to verify that lines W-219, W-282, and line W-409 have been backfed for a number of years to continue providing service for affected customers.

IT IS THEREFORE ORDERED that Equitable Gas Company's application to abandon those customers served from lines W-219, W-282, and W-409 be approved.

Done at Frankfort, Kentucky, this 14th day of January, 1980.
