In the Matter of:

JACKSON PURCHASE ELECTRIC COOPERATIVE)  
CORPORATION CONTINGENCY PLANS FOR )  
EMERGENCY PROCEDURES DURING AN ENERGY) ADM. CASE NO. 243  
SHORTAGE )

O R D E R

On February 2, 1981, the Commission issued its Order to Jackson Purchase Electric Cooperative Corporation (Jackson Purchase), directing it to submit its plan of emergency procedures to be followed during any shortage of energy for the generation of electric power. The Commission also ordered that in the preparation of the emergency procedures submitted, the Utility was to consider the appropriateness of the procedures and substance contained in Attachment No. 1 which was a part of the Order. Emergency procedures proposed by Jackson Purchase were filed with the Commission on February 23, 1981 and amended by an additional filing on March 30, 1981.

The Public Service Commission, successor to the Energy Regulatory Commission, having considered the evidence of record and being advised is of the opinion and finds:

1. That it is both prudent and desirable for a utility to have contingency plans available prior to the onset of an emergency condition;
2. That the emergency procedures proposed by Jackson Purchase have essentially incorporated the procedures and substance

contained in Attachment No. 1 of the Commission's Order of February 2, 1981, and therefore the emergency procedures should be approved; and

3. That the emergency procedures proposed by Jackson Purchase give due consideration to the public health, safety, and welfare without undue prejudice or disadvantage to any customer.

IT IS THEREFORE ORDERED that the amended energy emergency control plan which was filed with the Commission on March 30, 1981, by Jackson Purchase be approved as submitted.

IT IS FURTHER ORDERED that within twenty (20) days of the receipt of this Order that Jackson Purchase shall file a new tariff with the Commission which incorporates the emergency control procedures authorized in this Order or shall file a new tariff sheet which makes reference to these procedures.

Done at Frankfort, Kentucky, this 3rd day of April, 1981.
