On May 22, 1981, South Central Bell Telephone Company, by counsel, filed its Motion for Extension (until June 15, 1981) of Time in Which to File Brief. The motion states that the basis of the request is that the transcript of the hearing held April 30, 1981, has not been received although expected May 23, 1981. The motion also states that counsel for Echo Telephone Company and petitioners have no objection to the extension and request that the motion encompass the requirement that these parties also have until June 15, 1981, in which to file their briefs.

The Commission, having considered the motion and being advised, finds that the hearing transcript was available May 23, 1981; however, since the parties have indicated that there is no objection to an extension, the motion should be sustained.

IT IS THEREFORE ORDERED That the motion of South Central Bell Telephone Company be and it hereby is sustained, and the time for the filing of briefs by the parties herein is hereby extended to and including June 15, 1981.

Done at Frankfort, Kentucky, this 27th day of May 1981.
