O R D E R

Immediately following the hearing of June 18, 1981, a conference was held between members of the Commission's Staff, the Attorney General and the Applicant for purposes of reconciling certain information. The need for the conference was due to the Applicant's failure to respond to Staff Request No. 2, Item 1 which asked for "a reconciliation of the comparative income statement on February 6, 1981, to the income statement submitted on May 20, 1981". The Applicant did not have the accountant available for cross examination at the hearing on his exhibits that were submitted on May 20, 1981.

IT IS THEREFORE ORDERED that Rochester Utility District shall file an original and five copies of the following information with the Commission, with a copy to the Attorney General's Division of Consumer Intervention, by July 10, 1981. If neither the requested information nor a motion for extension of time is filed by the stated date, the case will be dismissed.
