CASE NO.  
8150

O R D E R

On July 8, 1981, Intervenors, Coalition Against Local Measured Service, Inc. and Kentuckiana Burglar and Fire Alarm Association, Inc., by counsel, filed a Motion for Extension of Time to File Briefs from July 13, 1981, to July 20, 1981. As grounds for the Motion, it is stated that the transcript of the cross-examination of the witnesses of South Central Bell Telephone Company was not received until July 7, 1981, and, further, that responses to information requested of South Central Bell Telephone Company during the hearing the week of June 22, 1981, have not been furnished.

The Commission, having considered the Motion and being advised, finds that while the Commission must operate within the time constraints imposed by KRS 278.190 in rate proceedings, in view of the circumstances the Motion should be sustained and the extension should be granted to all parties.

IT IS THEREFORE ORDERED That the Motion of Intervenors, Coalition Against Measured Service, Inc. and Kentuckiana Burglar and Fire Alarm Association, Inc., be and it hereby is sustained.

IT IS FURTHER ORDERED That the time in which the briefs  
of all parties shall be filed be and it hereby is extended to  
the close of business on July 20, 1981.

Done at Frankfort, Kentucky, this 9th day of July 1981.
