 - (iii) Investment credit amortized - Revenue Act of 1971
 - (6) Provide the information in 8a(1) through 8a(4) for state income taxes
 - (7) Reconciliation of book to taxable income as shown in Format 8a(7) attached and a calculation of the book Federal and state income tax expense for the test year using book taxable income as the starting point.
 - (8) A copy of Federal and state income tax returns for the taxable year ended during the test year including supporting schedules (three copies required).
- B. An analysis of Kentucky other operating taxes as shown in Format 8b attached, for Kentucky combined and intra-state operation.
9. A schedule of Kentucky combined net operating income per average primary phone (see Format 10, Schedule 2) per company books for the test year and the five years preceding the test year. This data should be provided in the format as shown in Format 9 attached.

10. The comparative operating statistics as shown in Format 10 attached.
11. A schedule of average telephone plant in service per average primary phone by account per company books for the test year and the five calendar years preceding the test year. This data should be provided in the format as shown in Format 11 attached.
12. A statement of telephone plant in service per company books for the test year. This data should be presented in the format as shown in Format 12 attached.
13. A.
Provide a detailed analysis of all intrastate charges booked during the test period for advertising expenditures. This analysis should include a complete breakdown of Account 642 - Advertising as shown in Format 13a attached, and further should show any other advertising expenditures included in any other expense subaccounts. The analysis should, moreover, be specific as to the purpose of the expenditure and the expected benefit to be derived. Expenses allocated from the parent company should be so identified.
- B.
Provide an analysis of Account 675 - Other Expenses for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 13b and further provide all detailed working papers supporting this analysis. As a minimum the work papers should show the date, vendor, dollar amount and a brief description of each expenditure for amounts of \$500 or more.

- C. A detailed analysis of all charitable and political contributions expenses charged to intrastate operations during the test period. This analysis should indicate the amount of the expenditure, the recipient of the donation and the specific amount charged. Expenses allocated from the parent should be so identified.
- D. Provide an analysis of Account 323 - Miscellaneous Income Charges for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 13d, and further provide all detailed working papers supporting this analysis. As a minimum the work papers should show the date, vendor, dollar amount and a brief description of each expenditure for amounts of \$500 or more.
14. A statement describing the Applicant's lobbying activities and a schedule showing the name of the individual, his salary, and all company-paid or reimbursed expenses or allowances and the account charged for all personnel for whom a principal function is that of lobbying, whether it be lobbying on the local, state, or national level.

17. Provide a detailed analysis of the retained earnings account for the test period and twelve-month period immediately preceding the test period.
18. Provide the following information with regard to uncollectible accounts for the test year and the five preceding calendar years (taxable year acceptable):

- A. Reserve account balance at the beginning of the year.
 - B. Charges to reserve account (accounts charged off).
 - C. Credits to reserve account.
 - D. Current year provision.
 - E. Reserve account balance at the end of the year.
 - F. Percent of provision to total revenue.
19. The dollar amount of employee concession telephone service for the twelve (12) months of the test year as shown in Format 19 attached.
20. Additional data relating to affiliated company(s).
- A. Schedule of company's home office and/or intercompany charges; monthly for the test year and yearly for the last two calendar years. State the type of goods or services provided (i.e., supplies capitalized, data service, directory sales, management services, etc.). The amount by type from each billing unit and the method used in billing (i.e., direct, allocated) and basis for allocating common charges.
 - B. A schedule of sales by affiliated Manufacturing and/or Supply Companies separated into Manufacturing Operations and Supply Operations with a further separation into sales to affiliated System Telephone Companies, Non-affiliated Telephone Companies, all other Sales and total for the calendar year for all years of common affiliation.

- C. A schedule showing for each year used in 20b for affiliated Manufacturing and/or Supply Companies the weighted average capitalization ratios, effective debt interest rates and effective preferred stock dividend rates. This schedule should show the actual amounts of the various capital components as well as the ratios.
- D. Net Income as a percent of Sales, Return on Average Investment, and Return on Average Common Equity for sales to affiliated telephone companies and on sales to nonaffiliated telephone companies separately for manufactured products and separately for items purchased for resale for the calendar years used in 20b. Also provide details for the rate of return calculations.
- E. On sales to the Kentucky operating telephone company used in 20b, separate purchases from the manufacturing operation into amounts capitalized and amounts expensed and from the supply operation into amounts capitalized and amounts expensed.
- F. A schedule showing the dollar amount of gross additions by major plant accounts and the percent and dollar amounts surviving at end of test year, for each of the years used in 20b. A second part of this schedule should show the dollar and percent of equivalent amounts of depreciation reserve at the end of the test year, applicable to the surviving capitalized purchases.

21. A calculation of the rate or rates used to capitalize interest during construction for the test year and the three preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.
22. Provide detailed monthly income statements for each month after the test period including the month in which the hearing ends as they become available.
23.
 - A. Explanation of the settlement contract or method used with South Central Bell and any other telephone companies to arrive at Applicant's Kentucky intrastate test period toll revenues. (Provide the Traffic Agreement presently in use for settlement purposes).
 - B. Explanation, with copies of appropriate supporting material, of the separation procedures used to arrive at the test period Kentucky intrastate portions of revenues, investment, expenses, taxes, reserves and any other items applicable to the case. Include discussions on cost studies which were used and periods for which studies were made.
 - C. A listing in comparative form of the following factors used in the cost separations studies for the last four calendar years preceding the test period and for the test period year (provide interstate toll, intrastate toll and intrastate local factors where applicable):
 - (1) Subscriber line usage factors
 - (2) Subscriber plant factors
 - (3) Composite station ratios
 - (4) Conversation-minute-miles factors

(5) Dial equipment minutes-of-use factors (composite for all offices)

(6) Traffic unit factors (composite for all toll centers)

(7) Holding time minutes-of-use

Give the dates of the traffic studies from which the test period factors were obtained. Include a statement as to whether these factors are final or will be revised should subsequent studies prior to the hearing date show changes in them.

D. A breakdown by dollar amounts of the Kentucky intrastate toll revenues for the test period into their major class of toll service-message toll including WATS, private line, foreign exchange, and any other items contributing to the intrastate toll revenues. Include all intrastate toll revenues whether received through settlements or otherwise.

24. A. The status of all intrastate toll settlements, by major class of toll service, with South Central Bell that were pending at the beginning and at the end of the test period that would affect the test period intrastate toll revenues. Indicate the finality of these settlements with South Central Bell, and if they are not final, give the expected amounts and the expected dates they will be finalized. These amounts are to be reconciled with book entries including amounts accrued for future settlement adjustments.

- B. A statement of concurrence from South Central Bell that the test period intrastate toll settlement revenue is correct giving dollar amounts for each major class of toll service settled. If concurrence cannot be obtained, provide a detailed statement of differences.
 - C. Written explanations of each change or adjustment in intrastate toll settlements which was booked during the test period, but was applicable to settlements outside of the test period and which was booked outside the test period, but was applicable to settlements covering portions of the test period.
 - D. Written explanation of all pro forma adjustments made to normalize the test period intrastate toll revenues such as those caused by settlement contract changes and separation procedure changes that may effect such items as the intrastate toll rate of return used in computing toll settlements for actual cost and Division of Revenues companies.
 - E. Any other information the Applicant deems necessary to explain the debits and credits to its toll revenues in order to normalize its intrastate toll revenues for the test period.
25. A. Capital structure at end of each calendar year for the previous ten (10) years.
- B. Capital structure at end of latest available quarter.
 - C. Capital structure at end of historical test period.
- These items should include the following information:

- (i) Class of capital
- (ii) Amount of each class (\$)
- (iii) Ratio of each class to total capitalization
- (iv) Total capitalization (\$)

26. A. List all outstanding issues of long-term debt as of the end of the latest calendar year and at the end of the test period.

This should include the following information for each outstanding issue:

- 1. Date of issue
- 2. Date of maturity
- 3. Amount outstanding
- 4. Coupon interest rate
- 5. Cost rate at issue
- 6. Cost rate at maturity
- 7. Bond rating at issue-(Moody's, Standard & Poor's)
- 8. Type of obligation

B. Provide calculations of embedded cost of long-term debt at the end of each calendar year for the previous ten (10) years. Also provide this calculation for end of the test period.

27. A. List all outstanding issues of preferred stock as of end of the latest available calendar year and quarter and at end of the historical test year.

This should include the following information for each outstanding issue:

1. Issue date
 2. Amount sold (\$)
 3. Dividend rate
 4. Cost rate at issue
 5. Amount outstanding
 6. Note any convertibility features
- B. Provide calculations of embedded cost of preferred stock at the end of each of the previous ten (10) years. Also provide this calculation for the most recent quarter available and for the historical test period.
28. A. Provide a listing of all issues of common stock in the primary market during the most recent ten (10) year period.
- Include the following information:
1. Date of issue
 2. Number of shares
 3. Date of announcement and registration
 4. Price per share (net to company)
 5. Net proceeds to company
 6. Book value per share at time of issue
 7. Selling expenses as % of gross issue amount
 8. Price per share to public
- B. Provide the following information on a quarterly and yearly basis for the most recent ten (10) year period available. Also provide this through the latest available quarter.

1. Average number of shares of common outstanding
2. Book value per share at end of period
3. Period earnings per share
4. Period declared dividend rate per share
5. Rate of return on average common equity
6. Rate of return on year end common equity

Items 28B, 5 & 6 refer to yearly figures only.

C. Provide monthly market price information for common stock for each month during the most recent ten (10) year period. Include the following:

1. Monthly high
2. Monthly low
3. Monthly closing price
4. Note all stock splits by date and type and adjust prices accordingly

29. Provide figures showing computation of fixed charge coverage ratios (SEC method, pretax, including short term debt payments) at the end of each of the ten (10) most recent prior years.
