CASE NO. 8191

O R D E R

IT IS ORDERED that South Anderson Water District, Inc., shall file an original and five copies of the following information with the Commission, with a copy to the Attorney General's Division of Consumer Intervention, by July 2, 1981. If neither the requested information nor a motion for extension of time is filed by the stated date, the case will be dismissed.

1. Provide a copy of your depreciation schedule for the utility plant in service.
2. Provide a breakdown of revenue and expense accounts by month for the test period ending March 31, 1981.
3. How much of a line loss did the utility experience during the test period?
4. Is the utility currently purchasing all of its water from Lawrenceburg?

5. How much water did the utility purchase during the test period and at what price?

6. What services are performed for director's fee of \$1,800? Who receives this fee?

7. Will the utility be required to maintain a certain debt service coverage level for the proposed financing?

8. Attached is a copy of a comparative income statement with the account balances per books of the test period ending March 31, 1981. Space is provided on this form to make pro forma changes to these account balances should you wish, with another column for the adjusted balances. Should you wish to make pro forma changes to the test period please provide a detailed explanation of each adjustment on a separate sheet of paper and return to this Commission with the responses to the additional information requested.

Done at Frankfort, Kentucky, this 15th day of June 1981.
