BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of

JOHNSON COUNTY GAS COMPANY, INC., )  
VAN LEAR, KENTUCKY 41265, APPLICA- ) CASE NO.  
TION FOR AUTHORITY TO ADJUST RATES ) 8235  
ON AN EMERGENCY BASIS )

ORDER DIRECTING SUBMISSION OF INFORMATION

Johnson County Gas Company ("Johnson County") currently has pending before this Commission in the above-captioned docket an application to increase its rates to cover the costs of reconstructing its existing gas distribution system. Since the purpose of this proceeding is to determine a rate that will provide sufficient revenue for Johnson County to meet all of its expenses (including past due bills), the Commission has granted Kentucky-West Virginia Gas Company's late-filed petition to intervene in order for Kentucky-West Virginia to update the record of this proceeding as to the balance owed that company by Johnson County for wholesale gas purchases as of August 1, 1981. (Copy attached). Since Columbia Gas of Kentucky also sells gas to Johnson County, the Commission finds that it is in the public interest to have in the record of this case the amount owed to Columbia Gas of Kentucky by Johnson County for gas purchases through August 1, 1981.

Based upon the above finding, the Commission hereby ORDERS that Columbia Gas of Kentucky shall file with this Commission a statement indicating the unpaid balance for gas purchases made by Johnson County from Columbia Gas of Kentucky through August 1, 1981. This information shall be filed on or before September 23, 1981.

Done at Frankfort, Kentucky this 11th day of September, 1981.
