In the Matter of

AN EXAMINATION BY THE PUBLIC SERVICE COMMISSION OF THE APPLICATION OF THE FUEL ADJUSTMENT CLAUSE FROM NOVEMBER 1, 1980, TO OCTOBER 31, 1982	)))))	CASES NOS. 8587-8615

O R D E R

The Commission has determined that the evidence of record included in the three previous fuel adjustment cases established pursuant to 807 KAR 5:056, Section 1(11) is essential to the consideration of this case and that refiling that evidence in this case would be duplicative, expensive and time-consuming to the ultimate detriment of the ratepayer. Accordingly, the Commission is of the opinion and finds that the most expeditious procedure is to incorporate the record of the three previous fuel adjustment cases in this case by reference only, and that the parties hereto should have until the close of business December 17, 1982, to file objections to this procedure.

IT IS THEREFORE ORDERED That the evidence of record in the three previous fuel adjustment cases instituted pursuant to 807 KAR 5:056, Section 1(11) be and they hereby are incorporated in the record of this case by reference only subject to modification if any objections are filed by the close of business December 17, 1982.

Done at Frankfort, Kentucky, this 22nd day of November, 1982.
