In the Matter of

ADJUSTMENT OF RATES FOR WHOLESALE )  
ELECTRIC POWER TO MEMBER COOPERATIVES ) CASE NO. 8648  
OF EAST KENTUCKY POWER COOPERATIVE, INC. )

O R D E R

On October 21, 1982 East Kentucky Power Cooperative, Inc. ("East Kentucky"), by counsel, filed its Motion for Ratification of a Deviation from Notice Requirements.

The Motion states that the typewritten notice mailed to each member distribution cooperative on October 12, 1982 inadvertently did not include the statement concerning intervention as required by 807 KAR 5:011, Section 8(3). The Motion further states that a copy of the complete application was sent to each member distribution cooperative on October 15, 1982 and that a third notice dated October 20, 1982 was sent to each distribution cooperative containing the notice as to intervention.

East Kentucky asserts that while it is not possible to correct the technical deficiency in the initial notice, the member distribution cooperatives were given proper notice of the proposed rate increase and that they have been given notice of the rights of intervenors before the Commission through the subsequent notice.

The Commission, having considered the Motion and being advised is of the opinion and finds that deviation for good cause should be granted pursuant to 807 KAR 5:011 Section 13.

IT IS THEREFORE ORDERED That the Motion be and it hereby  
is sustained.

Done at Frankfort, Kentucky, this 4th day of November, 1982.
