In the Matter of:

THE CATV POLE ATTACHMENT)	
TARIFF OF JACKSON COUNTY RURAL)	ADMINISTRATIVE
ELECTRIC COOPERATIVE CORPORATION)	CASE NO. 251-40

O R D E R

Procedural Background

On September 17, 1982, the Commission issued an Amended Order in Administrative Case No. 251, "The adoption of a Standard Methodology for Establishing Rates for CATV Pole Attachments," and ordered electric and telephone utilities providing or proposing to provide CATV pole attachments to file tariffs conforming with the principles and findings of the Order on or before November 1, 1982.

On November 1, 1982, Jackson County Rural Electric Cooperative Corporation ("Jackson County") filed rates, rules, and regulations governing CATV pole attachments. On November 15, 1982, the Commission suspended Jackson County's CATV pole attachment tariff to allow the maximum statutory time for investigation and comment from interested persons.

On November 19, 1982, the Kentucky Cable Television Association, Inc., ("KCTA") requested and was granted leave to intervene and comment on Jackson County's CATV pole attachment tariff. On January 17, 1983, KCTA filed a statement of

objections to various CATV pole attachment tariffs, but made no specific objections in the case of Jackson County.

The Commission considers the matter of Jackson County's CATV pole attachment tariff submitted for final determination.

Findings

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Jackson County failed to file sufficient information to verify its calculations of CATV pole attachment rates. Therefore, Jackson County should file workpapers and other supporting information showing that its proposed rates conform to the principles and findings in the Commission's Order of September 17, 1982.

2. Jackson County should be allowed to substitute 1982 Annual Report information to adjust its annual carrying charge, if the information is available and filed with the Commission.

ORDERS

IT IS THEREFORE ORDERED that Jackson County's CATV pole attachment tariff as filed with the Commission on November 1, 1982, be and it hereby is dismissed.

IT IS FURTHER ORDERED that Jackson County shall file rates, rules, and regulations governing CATV pole attachments with the Commission within 30 days from the date of this Order, and that the rates, rules and regulations shall conform to the Commission's Order of September 17, 1982.

IT IS FURTHER ORDERED that Jackson County shall file detailed workpapers supporting its rates at the same time it files its rates, rules and regulations.

Done at Frankfort, Kentucky, this 31st day of March, 1983.
