In the Matter of

AN ADJUSTMENT OF ELECTRIC)
RATES OF THE UNION LIGHT,)
HEAT AND POWER COMPANY)

CASE NO. 8509

O R D E R

In its Order entered November 15, 1982, in the above case, the Commission ordered that Union Light, Heat and Power Company:

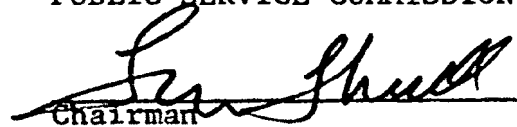

Maintain its records in such a manner as will enable it, the Commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered.

At the time the Order was entered, it was uncertain whether the Federal Energy Regulatory Commission ("FERC") would accept the settlement agreement between the Cincinnati Gas and Electric Company ("CG&E") and the intervenors in the FERC proceeding which provided that CG&E's proposed Phase I rate be the settlement rate. The FERC, by its letter order of November 18, 1982, in FERC Docket No. ER82-456-000, accepted the settlement agreement proposed by the parties which, in effect, removed the Phase II proposed increase of CG&E. Time has lapsed for challenging the FERC Order, no challenge has been filed and, accordingly, the rates in Appendix A to the Commission's Order entered November 15, 1982, are the final rates in this proceeding.

The Commission, having considered the matter and being advised, HEREBY ORDERS that no refund by Union Light, Heat and Power Company is required and this case is complete.

Done at Frankfort, Kentucky, this 28th day of February, 1983.
