O R D E R

On December 9, 1982, Garey D. Higdon and Half Moon Apartments Partnership ("Half Moon Apartments"), by counsel, filed its Motion to hold an evidentiary hearing. By letter dated December 10, 1982, the Commission advised Half Moon Apartments that 807 KAR 5:076, Section 7 requires that a Motion for a formal hearing set forth the grounds for the request.

On January 5, 1983, Half Moon Apartments, by counsel, filed a Motion stating that the reason for the request is that movant desires to cross-examine the evidence submitted by Eri-Gek Sewer Treatment Plant ("Eri-Gek") and the opportunity to put on additional evidence based on the examination. The Motion also states that Half Moon Apartments desires to contest the sufficiency of the notice and the veracity of the affidavit relating to the notice.

On January 7, 1983, Eri-Gek, by counsel, filed its Objection to Evidentiary Hearing stating that Half Moon Apartments did not perfect its Motion to hold an evidentiary hearing within the time prescribed in 807 KAR 5:076, Section 7, and requesting that the Motion be denied.

The Commission, having considered the Motion, Objection and being advised, is of the opinion and finds that the Motion of Half Moon Apartments was initially filed within the time prescribed in 807 KAR 5:076, Section 7, although later supplemented, and that the Motion should be sustained.
