In the Matter of:

NOTICE OF CONTINENTAL TELEPHONE)
COMPANY OF KENTUCKY OF AN) CASE NO. 8659
ADJUSTMENT IN ITS RATES)

O R D E R

On August 3, 1983, Continental Telephone Company, (Continental Telephone), by counsel, filed its Motion stating that on June 29, 1983, the Commission entered an Order in this case which acknowledged certain minor mathematical errors in its Order of April 18, 1983, herein and authorized the Company to file amended tariffs to recover the revenue lost as a result of said errors.

The Motion further states that Continental Telephone has determined that the preparation and filing of amended tariffs and the revision of its testimony and exhibits to reflect the changes in revenue projections which such amended tariffs would require in Case No. 8861, (Notice of Adjustment of Rates) would not be cost effective. Accordingly, Continental Telephone requests that the Commission set aside that portion of its order of June 29, 1983, which authorized and directed it to file amended tariffs to collect the revenue lost and to be lost as a result of the errors noted therein.

The Commission, having considered the Motion and being advised HEREBY ORDERS that the Motion be and it hereby is sustained and the last paragraph of the Commission's Order entered June 29, 1983, be and it hereby is revoked.

Done at Frankfort, Kentucky, this 29th day of August, 1983.
