AN INVESTIGATION OF TOLL AND ACCESS)
CHARGE PRICING AND TOLL SETTLEMENT)
AGREEMENTS FOR TELEPHONE UTILITIES) CASE NO. 8838
PURSUANT TO CHANGES TO BE EFFECTIVE)
JANUARY 1, 1984)

O R D E R

On October 6, 1983, Beep-Alert of Kentucky, Inc. and Reo-Cap, Inc. ("Movants"), by counsel, filed a Motion to Intervene stating, among other things, that Reo-Cap, Inc. is a customer of General Telephone Company of Kentucky ("General Telephone") and South Central Bell Telephone Company ("South Central Bell"), that Beep-Alert of Kentucky, Inc. is a potential customer of General Telephone and South Central Bell and that each has an interest in the tariffed rates that will be applicable to radio common carriers as a result of this proceeding. The Motion further states that Movants have recently become aware of the significant impact of the proposed increases in rates for switched access services which will adversely affect all radio common carriers and that they desire to have the opportunity to fully examine all documents filed on behalf of General Telephone and South Central Bell, to cross-examine witnesses, and to present testimony and exhibits. Movants further request that General Telephone and South Central Bell provide copies of all filings made on behalf of each utility to date.

On October 12, 1983, South Central Bell, by counsel, filed its Opposition to Motion to Intervene stating that the Motion is not timely, that intervention on the basis proposed would not permit South Central Bell adequate time to respond to intervenors' direct testimony, and that the interests of Movants are adequately represented by the Kentucky Association of Radio Common Carriers.

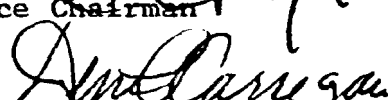

The Commission, having considered the Motion and Opposition to Motion and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 14th day of October, 1983.
