On September 7, 1983, South Central Bell Telephone Company ("South Central Bell"), by counsel, filed its Motion for Extension (until September 23, 1983) in which to respond to the Commission's Order entered September 2, 1983, and the first information request for the Kentuckiana Burglar & Fire Alarm Association ("Kentuckiana Burglar Alarm") dated September 1, 1983.

The Motion states that because of intervening holidays the requests for information did not become available to South Central Bell until September 6, 1983, that South Central Bell is presently working on responses to other requests for information and that a number of the requests in the Order entered September 2, 1983, must be answered by witnesses other than employees of South Central Bell who are not immediately available.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained; provided, however, that the Order of Procedure is modified to the extent that the deadlines therein established are advanced by one week for purposes of the Commission Staff and Kentuckiana Burglar Alarm, except that Requests for Information to the witness on behalf of the Commission Staff and Kentuckiana Burglar Alarm shall be due, unless submitted sooner, by the close of business November 1, 1983, rather than thirteen weeks subsequent to the filing of the application as specified in the Order of Procedure entered August 10, 1983.

Done at Frankfort, Kentucky, this 15th day of September, 1983.
