On October 6, 1983, the Attorney General's Consumer Protection Division (Attorney General) filed a Motion for Enlargement of Time (to and including October 21, 1983), in which to file testimony. The Motion states that the responses to the Attorney General's supplemental requests are not yet available, and that the time currently remaining under the existing order of procedure is not sufficient to permit adequate review and analysis for use in prepared testimony. The Motion further states that numerous responses to the Attorney General's Information Request were answered by reference to Staff Requests and, as noted by the Commission in Appendix B of its Order entered September 30, 1983, many of the responses were inadequate. The Motion also refers to extended filing dates granted Commission Staff witnesses and witnesses on behalf of the Kentuckiana Burglar and Fire Alarm Association.

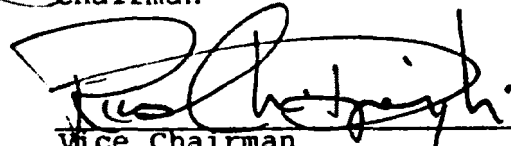

The Commission, having considered the Motion and being advised, is of the opinion and finds that based upon a showing of compelling reasons the Motion should be sustained.

IT IS THEREFORE ORDERED That the Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 14th day of October, 1983.
