

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SOME RESIDENTS )  
OF SPENCER COUNTY FOR EXTENDED AREA ) CASE NO. 8860  
TELEPHONE SERVICE WITH LOUISVILLE )

O R D E R

On March 16, 1983, some residents of the Taylorsville exchange located in Spencer County ("Petitioners") filed with the Commission a petition requesting extended area telephone service ("EAS") to the Louisville exchange. Both exchanges are served by South Central Bell Telephone Company ("Bell").

The Petitioners' request was considered subject to the Commission's EAS guidelines. In accordance with step two of the guidelines, the Petitioners were to obtain 208 signatures from telephone subscribers in the Taylorsville exchange, and 3,146 signatures from the Louisville exchange on the forms attached to the Commission's Order dated August 1, 1983.

The Petitioners were directed to file these petitions within 60 days of August 1, 1983. The petitions were not filed, and the matter was set for hearing in accordance with step four of the Commission's EAS guidelines. The hearing was held on October 27, 1983, and both representatives of Bell and residents of Spencer County appeared.

After considering this matter and being advised, the Commission is of the opinion and finds that:

(1) There was some confusion on the part of the Petitioners relating to what signatures they were to obtain as shown in the hearing, and so the Petitioners should be given an additional 60 days to obtain these signatures;

(2) The Petitioners need to obtain additional signatures from both the Louisville and Taylorsville exchanges; and

(3) Should the Petitioners desire to pursue this matter, they must seek, as a valid indication of subscriber interest, the signatures of subscribers on the standard Commission Petition forms attached as Appendix A for the Louisville exchange and Appendix B for the Taylorsville exchange.

IT IS THEREFORE ORDERED that should Petitioners desire to pursue this matter, they shall obtain the signatures of a minimum of 3,146 separate subscriber accounts in the Louisville exchange on copies of the form attached as Appendix A and an additional 45 signatures of subscribers in the Taylorsville exchange on the form attached as Appendix B.

IT IS FURTHER ORDERED that Petitioners shall be allowed an additional 60 days from the date of this Order to gather these signatures and file them with the Commission.

IT IS FURTHER ORDERED that if these petitions are not filed on time the case will be dismissed.

Done at Frankfort, Kentucky, this 22nd day of November, 1983.
