AN INVESTIGATION OF THE NECESSITY)
AND USEFULNESS OF AND THE COST)
RESPONSIBILITY FOR THE HANGING)
ROCK-JEFFERSON 765-KV TRANSMISSION) CASE NO. 8904
LINE UNDER CONSTRUCTION BY KENTUCKY)
POWER COMPANY)

O R D E R

IT IS ORDERED that Kentucky Power Company ("KPC") shall mail or deliver responses to the following information requests within 15 days of the date of this Order, with copies to all parties of record and 12 copies to be submitted to the Commission.

1. Provide the name and address of the outside consultant retained by or on behalf of KPC to study the 765-KV transmission line.
2. Provide the names of those individuals associated with the consultant who will be working on the study.
3. For each witness that KPC will present at the January 10, 1984, hearing, provide the following information:
 - a. Name and address.
 - b. Name and address of witness' employer or firm associated with.
 - c. Summary of witness' education, work experience and, if available, a list of regulatory jurisdictions in which testimony has previously been submitted.

4. Provide a copy of all contracts, memos and correspondences between KPC or any other subsidiary of the American Electric Power Company ("AEP") and the consultant which mention, refer to or discuss the scope of the evaluation and study of KPC's 765-KV line.

5. Identify each document, study, report, correspondence or memo provided to the consultant by KPC or any other subsidiary of AEP.

6. For each document identified in response to No. 5, provide either a copy or a statement setting forth its location if it has previously been filed with this Commission.

7. Provide updates, when available, to the responses to the information requests contained in this Order.

Done at Frankfort, Kentucky, this 12th day of October, 1983.
