ORDER

On January 6, 1983, the Commission issued an Order in Administrative Case No. 245 requiring the utilities listed in Section 1.02 of Kentucky's Residential Conservation Service ("RCS") Plan to participate in the RCS program.

Each covered utility filed with the Commission its plan of compliance with Kentucky's RCS plan. The individual plans were reviewed and approved by the Commission thus initiating the program.

Pursuant to Section 1.06(1)(c) of Kentucky's State Plan, the utilities were required to distribute program announcements to each eligible customer every 2 years after the initial program announcement until January 1, 1985.

The schedule of distribution should allow each eligible customer to be provided a program announcement within 6 months of the date of this Order. A redistribution of the program announcements to eligible customers shall be made every 2 years after the initial program announcement.

IT IS THEREFORE ORDERED that this case be and it hereby is established to modify Subsection 1 (c) of Section 1.06 of the RCS Plan, to read as follows:

A redistribution of the program announcement to then current eligible customers shall be made every two years after the initial program announcement.

All other provisions of the RCS plan contained in the January 6, 1983, Order remain in effect.

Done at Frankfort, Kentucky, this 20th day of December, 1984.
