In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF DELTA) CASE NO. 8528-I
NATURAL GAS COMPANY, INC.)

O R D E R

On December 28, 1983, Delta Natural Gas Company, Inc., ("Delta") filed its quarterly gas cost adjustment to become effective February 1, 1984, and to remain in effect until May 1, 1984. On February 1, 1984, the Commission issued its Order in this case authorizing rates to be effective on and after February 1, 1984, subject to refund. The rates were subject to refund pending the outcome of the Commission's investigation of variances in the actual adjustment.

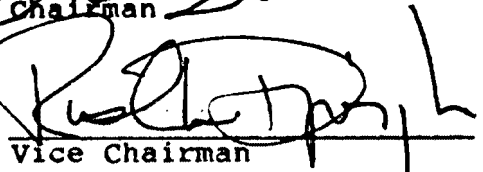

At this time, the Commission accepts Delta's current practice of computing its actual adjustment and is of the opinion that the rates authorized by Order issued February 1, 1984, should no longer be subject to refund.

IT IS THEREFORE ORDERED that the rates approved in the Commission's Order issued February 1, 1984, shall be effective for final meter readings on and after February 1, 1984.

Done at Frankfort, Kentucky, this 11th day of May, 1984.
