In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF MIKE) CASE NO. 8799-F
LITTLE GAS COMPANY, INC.,)

O R D E R

On September 27, 1983, the Commission issued its Order in Case No. 8799 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 15, 1984, Mike Little Gas Company, Inc., ("Mike Little") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective November 1, 1984, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Mike Little's notice of October 15, 1984, set out certain revisions in rates which Mike Little proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$8,485 or 10.98 cents per Dth.

(2) Kentucky West has filed an application for revised rates to be effective November 1, 1984, with the Federal Energy Regulatory Commission.

(3) Mike Little's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8799 dated September 27, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after November 1, 1984.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after November 1, 1984.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Mike Little shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 19th day of October, 1984.
